## Feed Store Update

The feed store would like to thank all the farmers and their families for another great seed day. The day was beautiful and laughter abundant. We would like to give a special thanks to Kwik Trip for their donation of half the milk and to Feils Oil Co. for the use of the grill to cook those delicious hot dogs. Also a big thank you to all who ordered their seed for the Spring.

Don't forget to check with us when it comes time to put your hay up. We carry twine and net wrap to meet your needs at competitive prices. Also a reminder for those who wrap your bales in plastic, be sure to use net wrap or treated twine. Both are available from PMPC.

Have a safe Spring and thanks again for your business!

## Plainview Milk Products Commodity Super Center

### 1<sup>st</sup> Annual Animal Expo & Small Animal Swap Meet

**April, 3 2010 from 7AM to 1PM**

**At the Wabasha County Fairgrounds at  
the intersection of HWY 60&61 on Coulee  
Way Rd**

Cost is \$3 per person, no additional cost for livestock brought in. The purpose of this event is to bring sellers of quality livestock together with perspective buyers to enhance 4-H and FFA projects. If you have any questions about this event please contact Sheri Sexton at 507-798-2331 or email questions to [webmaster@wabashacountyfair.org](mailto:webmaster@wabashacountyfair.org)
